

Jamesport City Lake

About This Area

This 18-acre reservoir was constructed in 1955 as a water supply for the city of Jamesport. The reservoir is surrounded by 38 acres of woods which provide a good setting for picnicking, nature viewing, bird watching, or hiking.

Since enrollment in the Community Assistance Program, the Missouri Conservation Department has added a parking lot, gravel boat ramp, and disabled-user accessible privy. A hitching post has been installed for local Amish anglers.

Jamesport City Reservoir provides fishing opportunities for largemouth bass, bluegill, crappie, and channel catfish. Catfish are stocked periodically by the Conservation Department.

Things to Do

- Fishing
- Frogging
- Camping (primitive)
- Hiking
- Picnicking
- Outdoor Photography
- Nature Study and Birdwatching

Rules and Regulations

Areas hours - Open daily from 4 a.m. to 10 p.m.
Camping, fishing, launching and landing boats are permitted at any time when authorized.

Fishing

Species	Daily Limit	Length Limit
Black bass	6	12-15" protected
Channel catfish	4	None
Crappie	30	None
All other fish combined	20	None

- Only pole and line fishing (3 per person).
- Seining or trapping live bait is prohibited.
- Bullfrogs and green frogs may be taken during the statewide season by hand, handnet, gig, long-bow, and hook and line.
- No swimming.
- Horseback riding not permitted.
- Vehicles on roadways and parking areas only.
- All terrain vehicles prohibited.
- Electric boat motors only.

The Community Assistance Program sponsored by the Missouri Conservation Department provides fisheries management and assistance to local communities for developing or upgrading facilities. In return, local communities maintain the area and facilities and open their lakes to the public. This program provides fishing and improved facilities at lakes close to home. Everyone benefits.
